Programming

Internshala Trainings (Online)

Aug 2019 - Aug 2019

I did an online training on Programming with python on Internshala

PROJECTS

Automated Car Parking System using Arduino Uno

Aug 2019 - Sep 2019

https://youtu.be/D_XH_vX_SNg

The objective of the project is to make parking confusion free and easy. We used an Arduino uno, Servo motor and 4 IR sensors to make this project. One IR sensor is connected to the Servo motor and the other three are for the car parking spots.

Spectrum Club Website

Jan 2020 - Present

https://github.com/rupeshmohanty/Spectrum

I created a website for the Technical Club of our college using Web templates and HTML,CSS and Javascript.
